19–20 March
Department of Physics,
University of Oxford

UK Early-Career Cloud Physics Group 2026 Symposium

This is a conference by and for early career scientists and sponsored by the National Centre for Atmospheric Science.

All participants are invited to present a lightning talk and poster.

The schedule features: keynote lectures, lightning talks, poster sessions, breakout discussions and a social dinner.

Registration costs £80, and includes all meals.

Hosted by members of the
Climate Processes Group,
University of Oxford.

Register:

If you'd like to
be involved
virtually, or
need further
